

ADDENDUM #1

SIGN RFP 2025-2

This addendum is issued as part of RFP 2025-2. The intent of this addendum is to provide clarification of certain specifications of the RFP. The changes incorporated in this addendum shall supersede, amend, add to, clarify, or subtract from the original document. The proposer shall acknowledge receipt of this addendum by signing and incorporating this signature page into their proposal. Failure to incorporate this signed addendum is cause for disqualification.

BEAM SPECIFICATIONS:

- (1) **Size: HP16x101# (15.5" x 15.8")**
- (2) **Material: Carbon steel, sand blasted, primed, and painted.**
- (3) **Finish: Matte Black**

SITE PREPARATION:

There should be minimal site prep, such as leveling the ground for erection of the sign. A site visit is recommended to determine if an alternate bid is needed.

ELECTRICAL SCOPE OF WORK:

The sign manufacturer/installer is responsible for the required wiring, etc. for the lighting. The Town will contact the local electric company for hook-up.

The Town has decided not to go with solar lighting.

BASE MATERIAL:

Limestone thin veneer comparable to Harvest Gold, manufactured by Natural Brick & Stone Depot.

We hereby acknowledge that we have read, understand, and will include this addendum signature page in the original RFP. Further, we acknowledge that the changes incorporated in this addendum shall supersede, amend, add to, clarify, or subtract from the original document.
