CALL TO ORDER

Chairperson Costanzo called the meeting to order at 5:30p.m. and dispensed with the formalities.

ROLL CALL

The board members present were Chairperson Judi Costanzo, Vice Chairperson, Raymond Baxter, Gail Guinta, and Mike Rodgers. Tonya Whitehurst was absent. Attorney George Young was present also.

CHAIRPERSON: JUDI COSTANZO

Chairperson Costanzo turned the meeting over to Northeast Florida Regional Council Representative, Robert Jordan.

AGENDAED DSCUSSION:

A) Discussion and Consideration of the Water Supply Facilities Work Plan Amendment to the Comprehensive Plan.

Mr. Jordan explained that once the Regional Water Supply Plan, which is managed by the St. Johns River Water Management District and the Swanee Water Management District has been updated, statutorily municipalities within that boundary must update their community water supply plan with within eighteen months. The Regional Water Supply Plan was updated in December of 2023; therefore, the deadline is fast approaching.

Updates were made to Section 3.21; Water Demand, Supply and Facility Capacity according to recommendations from the Regional Water Management District.

There were no comments from the public.

Raymond Baxter moved to approve the proposed changes to the Comprehensive Plan. Mike Rodgers seconded. The motion passed by a unanimous voice vote.

The meeting adjourned at 5:39pm.
